has successfully completed the training course

**Design the Positive: Positive Thinking, Positive
Communication and Positive School Spaces**

Teacher Trainer: Maria Del Monte
Barcelona | August 8th – August 13th 2022

In our 30 - hour course, the participant acquired crucial knowledge about positive communication, both with themselves and with their students, in order to enhance positive thinking and reduce negative self-talk, among others. They also reflected on the influence of the surrounding environment and how it can convert negative communication into a positive relationship, which ensures long-lasting retention of knowledge.
